UNIVERSITY
OF WOLLONGONG
USA FOUNDATION

It is through the support of our valued donors to the University of Wollongong USA Foundation that the University of Wollongong remains an institution that is fearless with limitless ambition and vision. Together we will nurture more people to be their best through our world-class learning environments and we will continue to actively seek and address real issues facing society.

We would like to take this opportunity to thank everyone who has made a gift to the UOW USA Foundation, whether through a phone call with a student, an email, or by attending an event. We sincerely appreciate your support, and acknowledge all of our donors to the Foundation:
